MOSAIC MCM

Your advantages

- Modular expansion of the system

To the downloads ►

we simplify safety

MOSAIC MCM

The program can be saved on the memory card MOSAIC MCM, which can optionally be plugged into the back of the MOSAIC M1 main module. In this way, the program can be transferred to the new module without any programming effort during an exchange.

Environmental conditions

Max. storage temperature	-20 ... +85 °C
Max. operating temperature	-10 ... +55 °C
