we simplify safety

EI-2-I6-SR461

amGard pro is a modular and robust locking system. It is particularly suitable for heavy duty applications and can be easily adapted to the requirements of the customer thanks to its modular design. The configuration options are almost limitless and range from control modules and emergency locking through to emergency stop buttons and indicator lights.

General data

Functional type	modular and robust locking system
Item number	ITM-00041196
Type designation	EI-2-I6-SR461

Safety data

Category (EN ISO 13849-1:2015)	cat. 4
--------------------------------	--------

Electrical data

Protection class (EN 50178)	IP65
B10d-value	5,000,000

Mechanical data

Locking force Fmax	10000 N
Housing material	Steel
Mechanical service life	>1,000,000 switching cycles
