M12-C51-G

Straight M12- female connector, screw connection 5 pin

General data

Type designation	M12-C51-G
Functional type	M12 female connector 5-pin
EOS4 A receiver	
EOS transmitter	
SAFEGATE transmitter	
EDI B7	
EDI D1B	
EDI E1B	
Safety Simplifier	

Environmental conditions

Max. operating temperature	-15 ... +55 °C

Mechanical data

Connector type X1	M12 female connector
Connecting direction X1	straight
Number of pins X1	5
Threaded ring material X1	Brass nickel plated
Conductor cross-section K1	0,25 mm²
Conductor cross-section AWG K1	24AWG
